

School District: _____ School/Building: _____

Teacher(s): _____ Teacher Email(s): _____

Grade: _____ Subject/Class: _____

Project: _____

Project start date: _____ Project completion date: _____

Amount received: _____

1. Briefly describe your project. What practices did you build, or programs did you develop?
2. How many students were involved in the project? How were they involved in making decisions about the project, in building the practice/developing the program?

3. Are you monitoring water quality or quantity upstream and downstream from your project? If so, what describe your findings. (Required for *ExStream Watershed Guardian Projects*, Optional for *Junior Watershed Guardian Projects*).
4. What, if any, challenges did you face in implementing your project? Did you make changes to the project?
5. What is your plan for maintaining the practice and/or continuing the program?
6. Did you complete the proposed project/program? If not, what is the expected completion date?
7. Please include the following attachments:
 - Financial report listing revenues and expenses
 - Teacher Time Log
 - Northeast Iowa Stormwater Education Program Evaluation (grade us!)
 - Student pre- and post-assessments
 - Photos of the project, news clippings and/or any testimonials you'd like to share! (Please note these may be used for promotion).
