

Northeast Iowa Stormwater Education Program
Watershed Guardian Grant for Trees Application Form

School/Organization: _____

Educator(s): _____ Educator Email(s): _____

Grade: _____ Subject/Class: _____

Mailing address: _____

Required: Has your class participated in a virtual tour or learning field trip at the NE Iowa Stormwater Demonstration Site? Yes, my class has participated in a learning field trip

Project start date: _____ Project completion date: September 30th, 2021

Amount requested: _____

1. Describe your proposed project. How many trees, what species, and where do you plan to plant them? Explain why you chose that specie(s) of tree.

2. How many students will be involved in the project? _____

3. Describe how you plan to involve students in development and implementation of the project.

4. Outline a timeline for your project. *Notes: Awards will be announced within a month of application submission. Projects that take more than one year to complete are eligible for funding, but grantees will be required to submit an annual report as well as a final report.*

5. Describe how your project will positively affect your community and/or school.

6. To complete the application, make sure to **attach the following**:
 - a. **Project Budget** *Detail project expenses, other sources of expected revenue, and how Watershed Guardian Grant funds will be spent.*
 - b. **Site Plan** *Where do you plan to have your project implemented. Include planting plan if a large group of trees will be planted together. For example, in an orchard.*

Reporting: Grantees will be required to submit a final report. Final reports must include: Teacher Time Log, Project Evaluation, Photos of implementation and student involvement, and a financial report.

Acknowledgement and Signature: I have reviewed the information in this application and all attachments, and I certify that they are true and correct.
